As the first graduating class of Reynolds Area Joint High School, we are proud to present the CREST.

It is a new school, a new yearbook, and for our class the beginning of a new era in our lives.

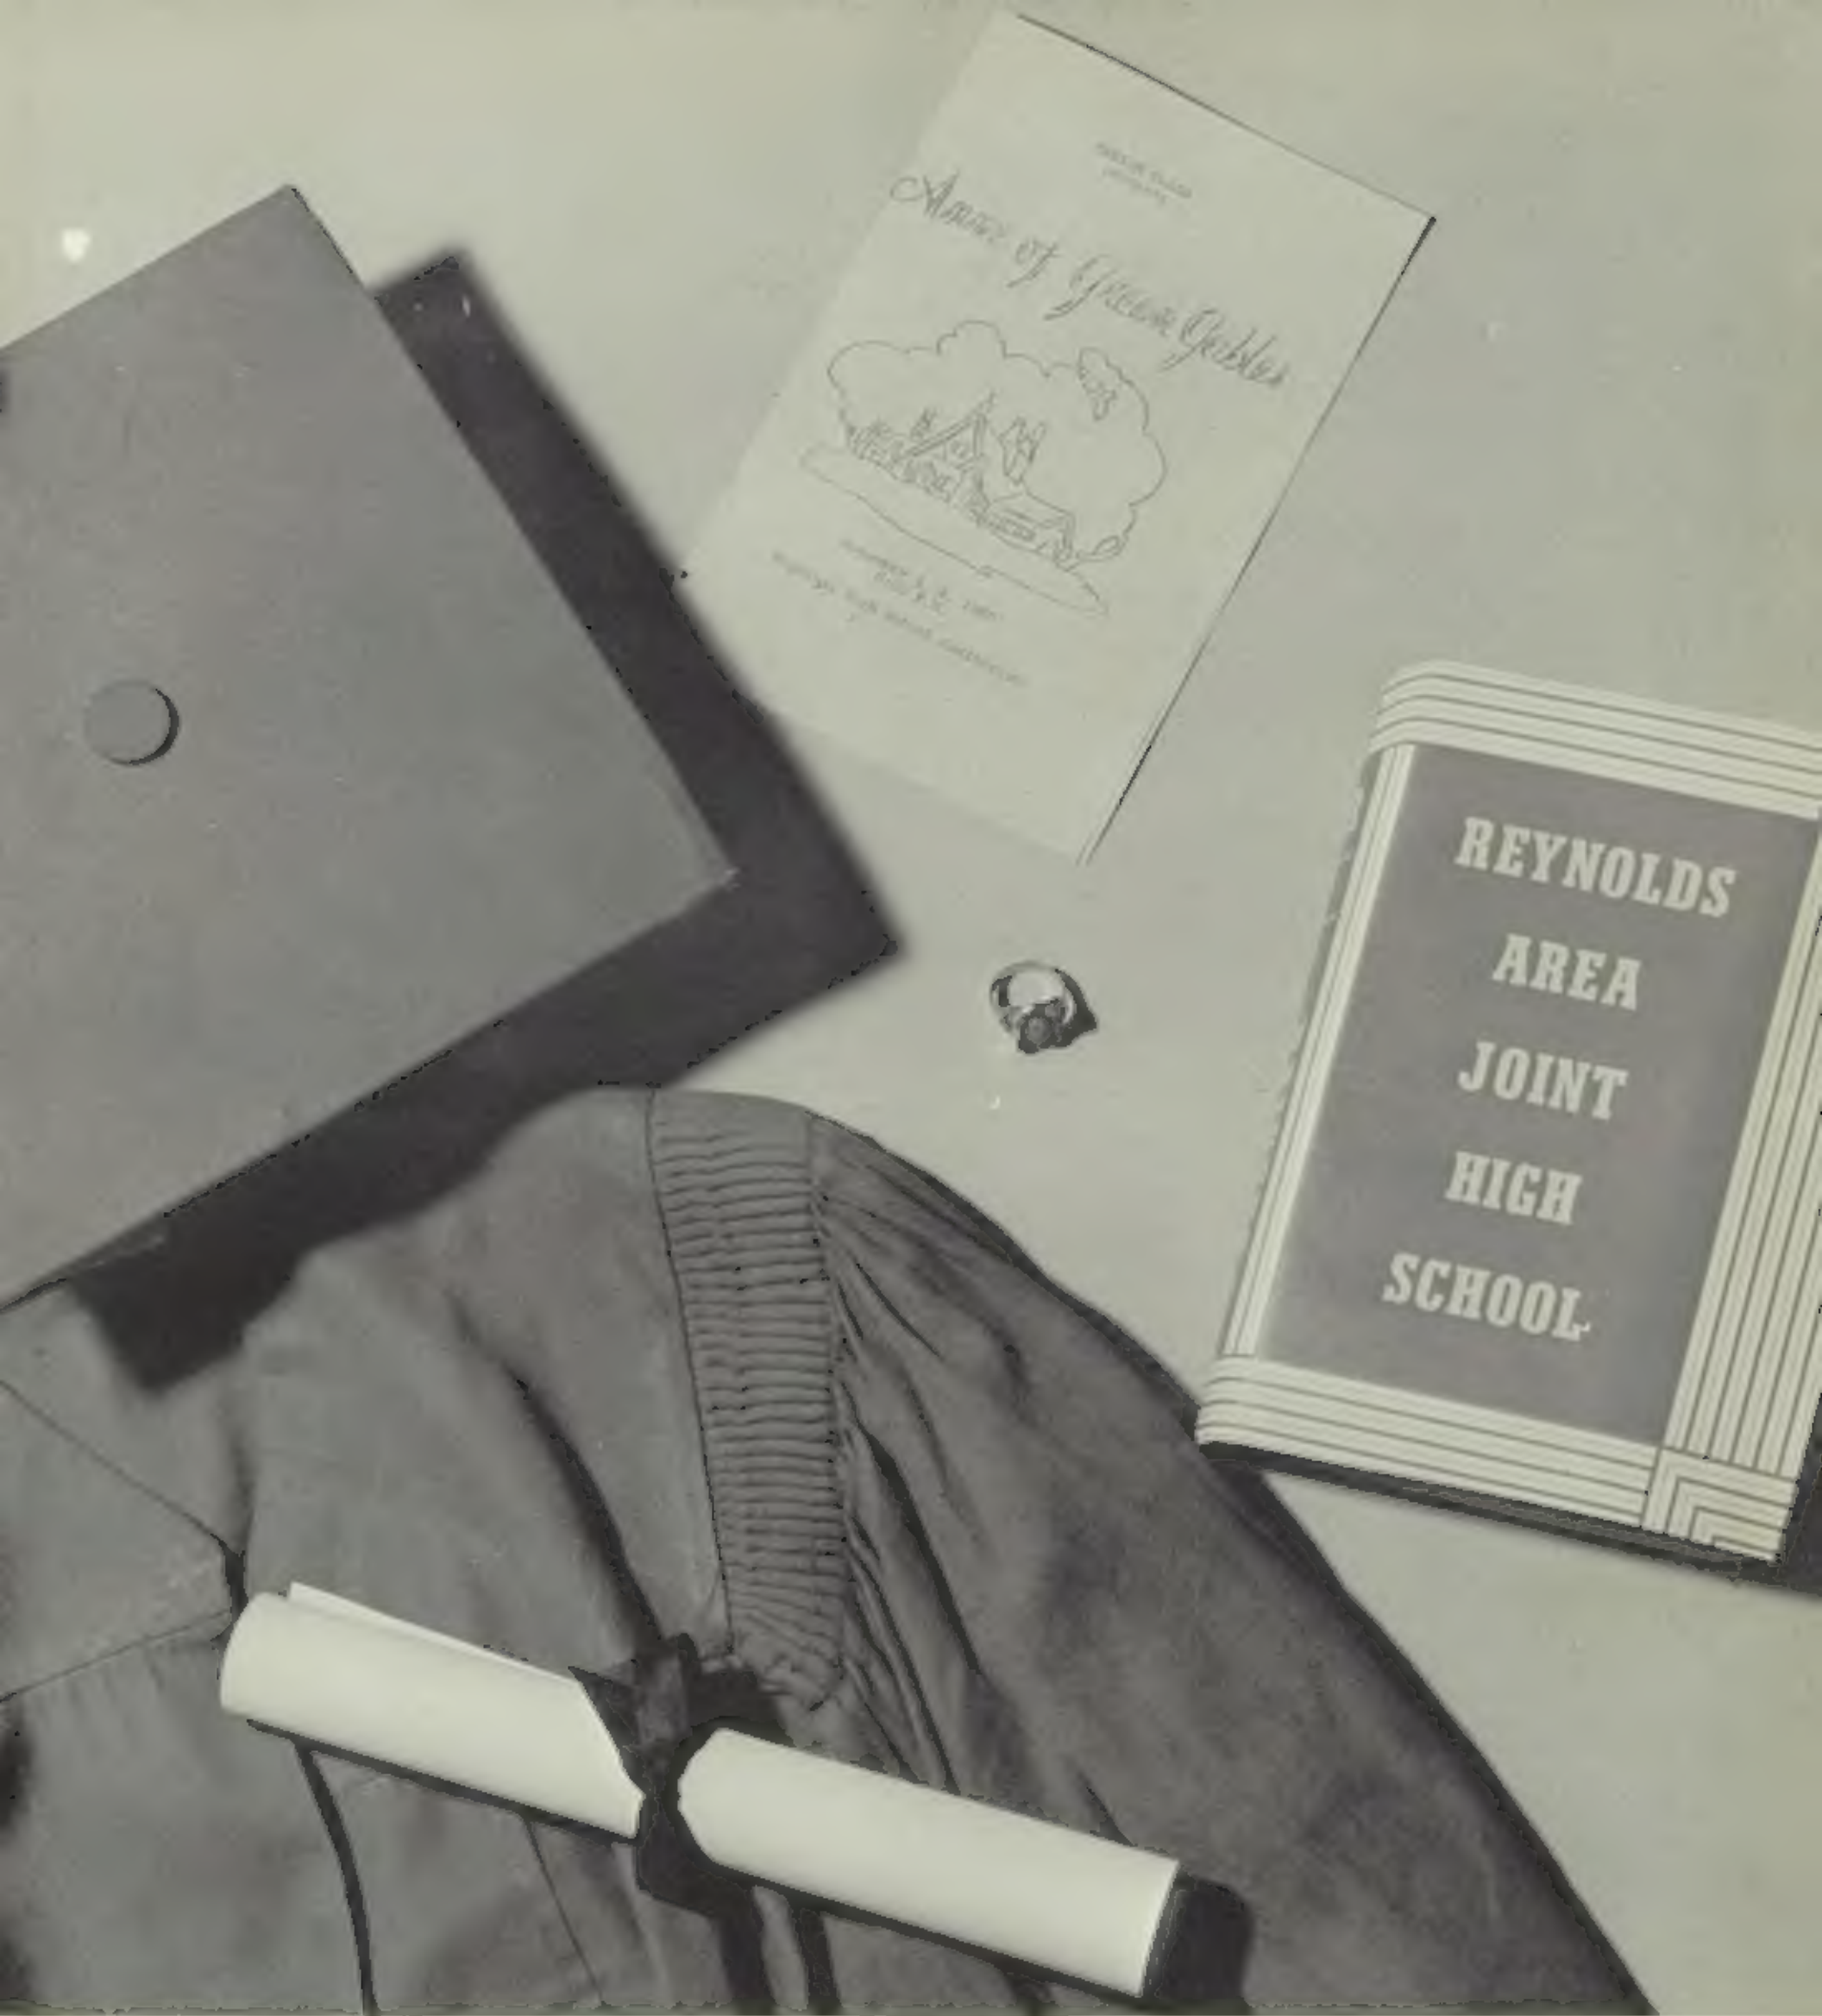

We are proud of our fine modern school, and even though this has been a year of trial and adjustments, we are glad to have been a part of it.

It is our sincere hope that the CREST will help us all in GETTING TO KNOW YOU.

Reynolds Area Board

This Is Our School and We Are Glad to Know You

On behalf of the entire school, the Senior Class would like to thank the School Board for making possible the development of the Reynolds Area High School.

Because of their unselfish attitude, work and devotion, we can now take advantage of our new school.

We Gratefully

Dedicate . . .

Carl F. Welch
Supervising Principal

On behalf of the Board of Education and the faculty, I wish to congratulate you and your sponsors on the preparation and publication of "The Quest," the first annual of the Reynolds Area Joint High School.

Your cooperative efforts in this project and in the many other activities so capably accomplished by your class has made the 1968-69 school term in our new school a most enjoyable and rewarding experience for all of us.

Your class has attained goals and set precedences that will provide a challenge to all classes that follow you.

As you leave the public school and become members of our adult society may you often reflect your experiences at Reynolds High School and may the setbacks you encounter as you go through life, be easier to overcome because of your school experiences.

Develop and practice the philosophy of the "Golden Rule" so that you may be a living example of our democratic way of life.

Carl F. Welch

Administration

Raymond J. Bost
Principal

We are well pleased with the fine beginning that has been made at Reynolds High.

We attribute much of this to the leadership and the attitudes of our first senior class. You may well be proud of the example which you have set for the many students that are to follow.

We are certain that in years to come, we will remember you not only as our first senior class, but also as one of our finest.

FOOTBALL

Reynolds Area Joint High School fielded its first football team this year under the leadership of head coach, Ralph Bouch, and assistant coach, Donald McCoy. With an excellent attitude and a great desire helping to compensate for total in-experience, the team worked very hard to achieve a winning season in its first year. The Raiders lost to Mercer and Randolph while winning four, the highlight being the 39-7 win over St. Michaels.

Ralph Boger scoring first touchdown--St. Michaels 1960.

A photograph of a large, irregularly shaped, light-colored rock formation on a sandy beach. The rock has a rough, textured surface with many small holes and indentations. A person's leg and foot are visible in the lower right corner, standing on the sand next to the rock.
